I'm **Shahruk**, a top-rated seller on Fiverr, and a self-taught wizard of WordPress development and UX/UI Thinker. I craft SEO-friendly, speed-optimized, custom WordPress solutions. For 4 years at My Digital Marketer, I've led successful projects and provided 24/7 support, ensuring clients are always satisfied. I'm a fast learner, ready to adapt in the dynamic digital world. My passion is turning digital ideas into reality.

## Experience 🏆

### Fiverr | Freelance WordPress Developer & UX/UI Designer | [2017] - [Present]

- **Client Work & Satisfaction:** Worked with over 1753 clients to provide high-quality, SEO-friendly, speed-optimized, and custom WordPress solutions, while offering 24/7 support to ensure client satisfaction and build strong relationships.
- **Adaptability & Learning:** Continually adapted and learned new skills to meet the diverse needs of clients, staying up-to-date in the ever-evolving digital landscape.

### My Digital Marketer | WordPress Web Developer & Project Manager | [2019] | [Present]

- **Web Development & Design:** Developed high-quality, SEO-friendly websites using WordPress, PHP, HTML, CSS, and JavaScript. Specialized in custom WordPress theme and plugin development, and utilized Tailwind CSS and Material-UI for responsive and modern design.
- **Performance & Optimization:** Implemented server-side logic using Node.js and optimized websites for speed and SEO, enhancing visibility and user experience.
- **Leadership & Customer Satisfaction:** Led project teams to ensure smooth workflow and timely delivery of projects, and provided 24/7 customer support to ensure customer satisfaction and build strong client relationships.

## Certifications

Certified WordPress Developer - App Brewery  
UX/UI Design Certification - CareerFoundry
